Minor Emergencies: Splinters to Fractures Philip Buttaravoli MD FACEP, Thomas Stair MD FACEP

For the emergencies that are too minor to call an ambulance, too urgent to wait for an appointment, this highly practical text covers the emergency treatments and procedures you need to know. **MINOR EMERGENCIES: SPLINTERS TO FRACTURES** covers the handling of dozens of minor emergencies from bee stings to puncture wounds to fractures of the collarbone. This practical, step-by-step guide is an essential reference for any office, clinic, urgent care center, first aid station, or emergency department.

* Provides step-by-step instructions for treating the presenting emergency, easily understood by all medical personnel. * Provides lists of cautionary items to avoid, which could inadvertently worsen the situation and potentially harm the patient. * Includes consistent use of format, icons, and boxes throughout for fast access to material. * Contains well illustrated, simple line drawings which clearly depict procedures at a glance.

From reader reviews:

Bettina Cutler:

This book untitled Minor Emergencies: Splinters to Fractures to be one of several books that best seller in this year, that's because when you read this guide you can get a lot of benefit onto it. You will easily to buy this particular book in the book store or you can order it by using online. The publisher in this book sells the e-book too. It makes you more easily to read this book, as you can read this book in your Cell phone. So there is no reason for your requirements to past this book from your list.

Gina Keller:

This Minor Emergencies: Splinters to Fractures is great publication for you because the content which can be full of information for you who else always deal with world and also have to make decision every minute. That book reveal it info accurately using great arrange word or we can say no rambling sentences within it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but tricky core information with splendid delivering sentences. Having Minor Emergencies: Splinters to Fractures in your hand like getting the world in your arm, facts in it is not ridiculous one. We can say that no book that offer you world within ten or fifteen moment right but this e-book already do that. So , it is good reading book. Hi Mr. and Mrs. busy do you still doubt that will?

Susan Granger:

Within this era which is the greater man or woman or who has ability in doing something more are more treasured than other. Do you want to become one of it? It is just simple solution to have that. What you have to do is just spending your time not very much but quite enough to possess a look at some books. One of many books in the top listing in your reading list is usually Minor Emergencies: Splinters to Fractures. This book and that is qualified as The Hungry Hillside can get you closer in becoming precious person. By looking upwards and review this reserve you can get many advantages.

Rachel Addison:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's heart or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Minor Emergencies: Splinters to Fractures can make you really feel more interested to read.
