Most Dangerous Women: Bringing History to Life through Readers' Theater Jan Maher

Most Dangerous Women is an ideal guide to creating a participatory learning environment in your classroom or community. The play, chronicling a century of the international women's peace movement, cobbles together headlines, resolutions, speeches, poetry, and songs to educate and inspire. Supporting chapters include guidelines for producing readers' theater versions of the play in classrooms and community theater contexts as well as many thematic ideas for building on the play contents with classroom discussions and research activities. The 8.5 x 11 format, with the script itself in 14 point font, is "readers' theater ready."
