Felicia Harris

My Husband Is Having an Affair Felicia Harris

Your husband is acting distant. He rarely answers phone calls from you. He seems annoyed when you try to talk to him. You've recently found evidence that he might be involved in an extramarital affair. What do you do? Follow Felicia Harris as she explains to how not to overreact in this very difficult situation, and how to work through what can be heartbreaking discussions and decisions.

Felicia Harris' ministry has existed for more than a decade, delivering thousands of encouraging messages to individuals feeling hopeless due to life's heartaches and crisis situations. Her direct-approach teachings involve self-help and a reliance upon the wisdom of God, and have helped transform the lives of people nationwide through Bible study classes for college students and the members of the North Mesquite Assembly of God, counseling sessions, audio programs, and self-help articles.

From reader reviews:

Annette Puente:

The book My Husband Is Having an Affair make you feel enjoy for your spare time. You need to use to make your capable much more increase. Book can being your best friend when you getting stress or having big problem together with your subject. If you can make looking at a book My Husband Is Having an Affair to be your habit, you can get much more advantages, like add your own personal capable, increase your knowledge about some or all subjects. You are able to know everything if you like open up and read a publication My Husband Is Having an Affair. Kinds of book are several. It means that, science book or encyclopedia or others. So , how do you think about this publication?

John Cleveland:

What do you with regards to book? It is not important along with you? Or just adding material when you really need something to explain what your own problem? How about your spare time? Or are you busy particular person? If you don't have spare time to do others business, it is make you feel bored faster. And you have spare time? What did you do? Everyone has many questions above. They have to answer that question simply because just their can do that. It said that about guide. Book is familiar in each person. Yes, it is suitable. Because start from on pre-school until university need that My Husband Is Having an Affair to read.

Mamie Shaw:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge your information inside the book which improve your knowledge and information. The details you get based on what kind of publication you read, if you want have more knowledge just go with training books but if you want sense happy read one along with theme for entertaining for instance comic or novel. The particular My Husband Is Having an Affair is kind of guide which is giving the reader erratic experience.

Curtis Graham:

Reading a guide tends to be new life style with this era globalization. With studying you can get a lot of information that can give you benefit in your life. Using book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their own reader with their story or even their experience. Not only the storyline that share in the textbooks. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors in this world always try to improve their proficiency in writing, they also doing some investigation before they write for their book. One of them is this My Husband Is Having an Affair.
