Play On (Game On) (Volume 4) Kyra Lennon

Freya Phillips' life was flipped upside down when she lost the man she loved in a tragic accident. Now she has to piece together the remains of her shattered heart and try to find a way to push through her pain to get her life back on track. With reminders of what she's lost at every turn, anxiety takes over and instead of moving forwards, she finds herself hurtling in the wrong direction. Freya's downward spiral leads her unexpectedly into the arms of one of her oldest friends, and as they seek comfort in each other, they realise they have more than just grief in common. Guilt-ridden and confused, Freya is too ashamed to tell anyone what she's done, but there's no such thing as a secret in Westberg. When the truth gets out, will Freya escape the gossip with her friendships and pride intact, or will she lose more than she ever bargained for?
