Professional No-Limit Hold 'em: Volume I Matt Flynn, Sunny Mehta, Ed Miller

No-limit hold em was once only a tournament game. Cash games were rarely spread in conventional poker rooms, let alone the Internet. All of that changed when the game exploded on television. No-limit cash games started sprouting up at casinos of all types. No-limit hold em is now the most popular form of poker. Tournaments pushed it to the forefront, and a great deal of money can also be won here despite that fact, many players feel frustrated with their results. They win some money, only to lose it all on one botched hand. This book teaches you how to play and think like a professional. It shows how to size your bets, manage the pot, manipulate your opponents, know when to go all-in, and avoid the big mistake. Do you understand critical no-limit concepts like The REM Process, The Commitment Threshold, and Stack-To-Pot Ratios? If not, this is the book for you.
