When **youthful, inexperienced, and overly curious** Marcus gets asked by his girlfriend to come over and assist the **hot MILF** of the house with a computer problem... the geeky man never expected more than a simple "Thank you" ...

But after arriving, he sees that the **lusty and busty cougar** wants a lot more than a floppy disc -- and before long, he's inserting all sorts of **taboo** and forbiddenness into places he's never gone before... **without protection!**
