Wolfen Wood (A BBW Paranormal Shape Shifter Romance) Megan Tisdale

Maxx Richards is lost on a dark forest road. The curvy woman's sassy wit is lost on the bumpkins at the gas station, but they did warn her about being out in Wolfen Wood on a full moon. When something leaps out of the woods and she hits it, Maxx discovers tall, broad-shouldered Kurt laying naked beside the road. He jumps up as if nothing happened, and then races into the woods. She realizes following him is a mistake when the howling begins. All around her they are circling, closer and closer.

This is not a sweet romance, but a wild, raw shifter story about a BBW and the pack that wants her more than anything else.

About the Author:
